## OVER 20 YEARS OF DESIGN

Drawing on over 20 years of design expertise, Giavani Bathrooms specialises in creating spaces that are streamlined, comfortable and stylish; embodying the very essence of contemporary bathroom design.

Our collection of bathroom products and accessories are a brilliant reflection of our extensive experience and design heritage. Every product in our range has been crafted with care and precision, to exacting standards. The final result is a perfect harmony of performance and aesthetics; built to perform, and designed to last.

## GUARANTEES

Please note that our guarantees cover our products for normal domestic use only. This means they cover the material structure of the product against manufacturing defects for the guarantee period stated, and are only applicable in the UK and Republic of Ireland. These guarantees are subject to certain exclusions and terms and conditions, which do not affect your statutory rights.

They do not cover:

- Non-domestic use
- Failure to install correctly
- Fair wear and tear
- Electrical failure
- Moving parts which are likely to perish over time
- Neglect or misuse

# Sanitary Ware

The beautiful curves and the soft square profiles adds a touch of elegance to any contemporary bathroom design.

Double-shift water outlet: the design of the 3/4.5L double-shift water outlet not only ensures a thorough clean, but it also saves water.

Rimless toilet: traditional flush rims attract germs, dirt and deposits. Each LETOP Rimless Toilet is designed entirely without a flush rim, so there are no hidden, hard-to-reach places where bacteria can build up and odour can develop.

Soft close seat cover: a built-in damper reduces the impact and noise made by the seat cover when it's closed.

Easy to clean glazing: the smooth surface of the porcelain glaze has been specifically designed to be easy to clean, with no hidden or hard-to-reach places where bacteria can build up.

Whole-sewer glazing: the inner surface of sewer is completely glazed, ensuring that there is nowhere for dirt to hide, minimising the chance of blockages.

Easy assembly & disassembly: the design of easy assembly & disassembly is excellent. A slight twist can ensure the easy cleaning of the toilet.

## FLUSHING

### RIMLESS

Rimless toilet: traditional flush rims attract germs, dirt and deposits.

Each LETOP Rimless Toilet is designed entirely without a flush rim, so there are no hidden, hard-to-reach places where bacteria can build up and odour can develop.

## MINERAL COMPOSITE WALL TILES

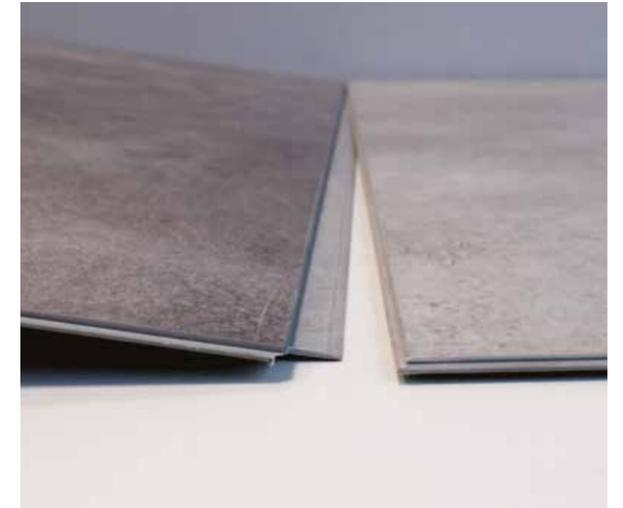

### Composite Panel with Tongue & Groove System

The Tongue & Groove system together with the mineral structure makes the product perfectly adaptive to any surface for a professional work. The Composite Panel provides superior rigidity and high resistance making the product harder than a ceramic tile.

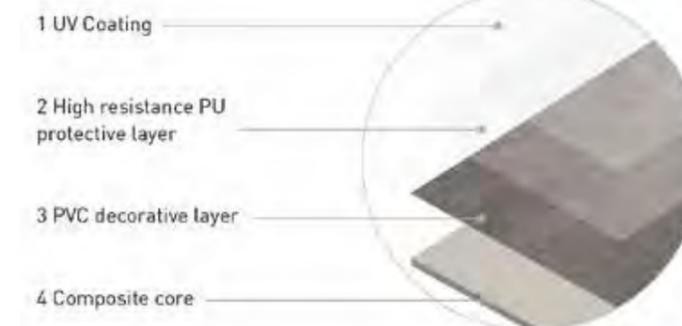

### Fitted for new projects or renovations

Save time in installation, is really fast and easy.  
Won't cause dust, noise or any type of mess at all.

### Extra-safe connection

Thanks to the Tongue & Groove connection system, water will not pass through the joints.

**25% PVC**  
**70% Mineral Powder**  
**5% Resin**

Extra-thin product,  
perfect to cover all  
kind of surfaces.

## BENEFITS & ADVANTAGES
